next order

# Features that Geri loves....

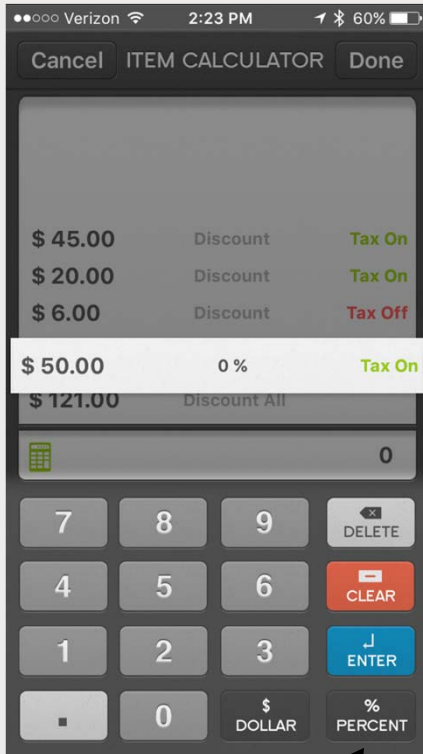

- Calculates tax & shipping (and shows amounts!) as quickly as I can add items
- Able to remove tax from seasoning blends ordered
- Able to give discount on ONE ITEM, but still charges customers the shipping & tax on that item
- Easily change sales tax rate when partying in a different county
- If order is not part of a party (and under \$100) OR a Direct Ship Order, then I can add the additional \$4.50 charge
- Shows commission amount for each order

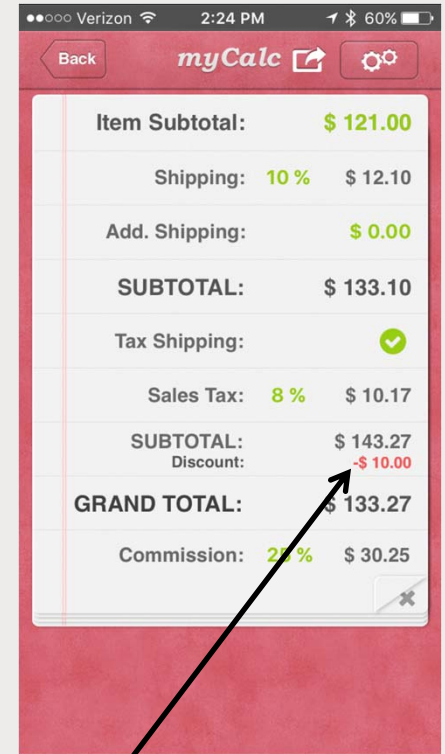

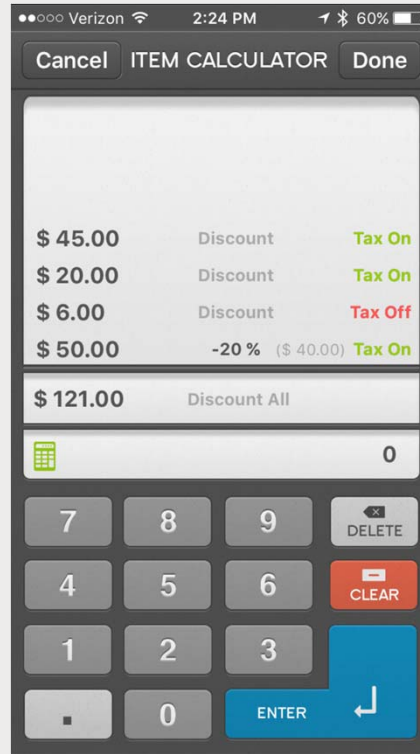

# Applying a discount to one item

Click discount next to item

Choose discount of \$ or % and press Enter

Discount taken after shipping & tax calculated
